EXPERIENCE

Operations Specialist

June 2026 – Present

Apple Mall of Louisiana, 6401 Bluebonnet Blvd, Baton Rouge, LA 70836

- Manage end-to-end retail operations including inventory, product receiving and fulfillment, order processing, and customer support, maintaining accuracy across high-volume workflows.
- Troubleshoot operational and customer issues by identifying problems, determining appropriate solutions, and coordinating with team members to resolve issues efficiently.
- Collaborate across teams to maintain operational compliance, improve workflow efficiency, and deliver a consistent customer experience in a fast-paced technical retail environment.

Crew Member

June 2023 – June 2026

Trader Joe's, 3535 Perkins Rd, Baton Rouge, LA 70808

- Delivered customer service, maintained accurate product operations, and collaborated effectively in a high-volume team environment.

Shift Manager

July 2021 – June 2023

Walgreens, 9983 Bluebonnet Blvd, Baton Rouge, LA, Baton Rouge, LA

- Led and delegated daily tasks while resolving customer and team concerns
- Managed cash handling, register reconciliation, and daily deposits

Lead Repair Technician

March 2022 – December 2022

UBreakiFix, 640 Arlington Creek Centre Dr Building 2 Suite B, Baton Rouge, LA

- Diagnosed and repaired hardware and software-related issues across smartphones, televisions, and other consumer devices, including Apple, Samsung, and Google products.
- Served as a technical resource for repair technicians, troubleshooting complex issues and assisting team members in identifying effective repair solutions.
- Led and coordinated technicians to ensure repairs were completed accurately and efficiently while maintaining quality standards and customer expectations.

Resident & Summer Assistant

August 2020 – July 2021

Louisiana State University Evangeline Hall, Baton Rouge, LA

- Planned community programs and mentored first-year students.
- Supported residents and collaborated with staff to maintain a positive living environment.

ITS Technical Support Agent

August 2019 – August 2020

Louisiana State University Frey Computing Services, Baton Rouge, LA

- Provided remote technical support to students, faculty, and staff by diagnosing issues and guiding users through troubleshooting and resolution steps.
- Created and maintained support tickets documenting reported issues, troubleshooting actions, and resolutions to ensure accurate technical records and effective follow-up.
- Translated technical issues into clear, user-friendly guidance while managing multiple support requests and maintaining a customer-focused approach.
